3rd JULY – Visit Askham Bryan Wildlife Park – tbc. – Animal carer badge.

THURSDAY 6th JULY older cubs only, will help set up tents with Scouts ready for County Camp. Outdoor Challenge badge.

7th – 9th JULY CHALLENGE 17 COUNTY CAMP, BRAMHAM

10th July - Walk the short hike ending up in woods. If time a last record of pond life and bugs.

17th July – Athletics night in Alfie's back garden. Everyone to bring their wormeries to compare differences.

We are in the woods most Monday's, you will be text/emailed if the venue changes. Please send your cub in uniform wearing LONG trousers and suitable footwear and if required coat/waterproofs.

The Cubs are making a wormery on the 3rd May, these are going to be their 'pets'. The worms have to be taken care of for at least 3 months. Give them the correct foods and keep to conditions correct for the worms to survive! At the end of term the worms can be released into your compost heap or garden.

WE WILL NEED YOU TO VOLUNTEER FOR US TO RUN THIS OUTDOOR PROGRAM
